

Homes and Hidey Holes

Mark places in the garden where you might find mini-beasts and other creatures using your own sticker cards.

-  Stick the Homes and Hidey Holes stickers onto a sheet of card.
-  Cut around each sticker.
-  Place the cards in the garden where you might see, or have seen, these creatures.
-  Take a friend on a tour of each place. Collect the cards as you go.
-  Use the cards in the 'Which Home' game in the 'Homes and Hidey Holes' leaflet too.
