

**Standards Council
Scotland**

Professional Induction Programme

Workshop 1

Welcome

20 September 2024

Welcome and Introductions

Mike Naulty

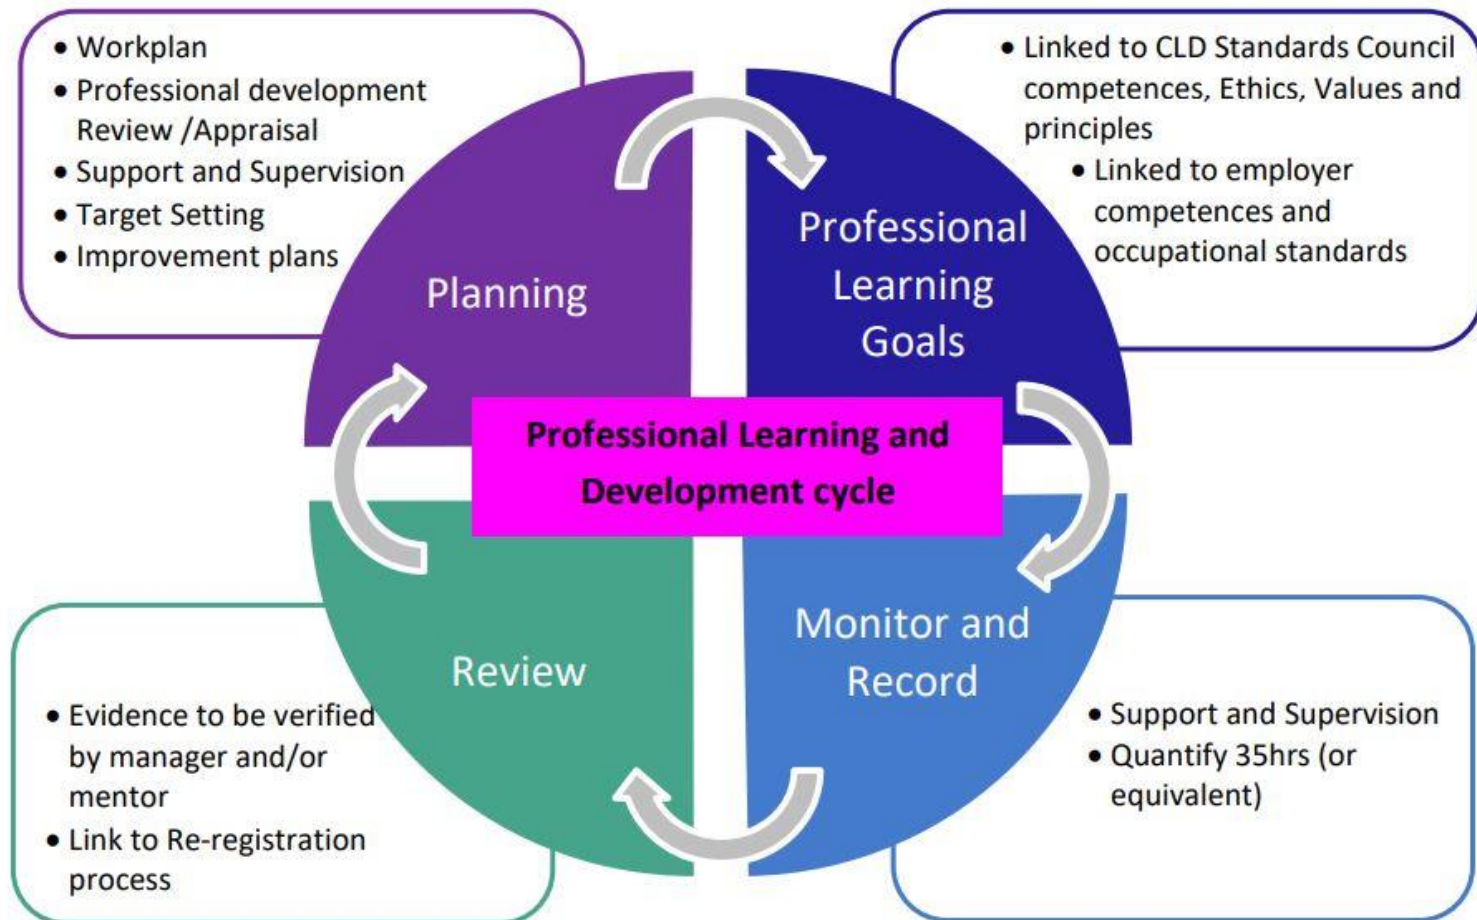

CLD Standards Council

Professional Learning Committee

Purpose, Overview, Expectations

**Mike Naulty and
Graham Hewitson**

Professional Learning & Development Model

PIP Learning Outcomes

1. Increase awareness and understanding of:

- a) The purpose and functions and professional standards of the CLDSC and the requirements
- a) The benefits of membership, with particular reference to professional learning and development
- b) Being a member of the CLDSC
- c) The process of professional learning and development to professional practice, recognition and progression
- d) The benefits that peer support and mentoring bring to professional learning and development.

2. Produce a Professional Learning & Development Plan setting professional learning goals within the context of the participant's practice and critically reflect on its development.

Unit 1: The CLDSC, its vision, values, code of ethics and functions

Unit 2: Professional Learning and Development in CLD

Unit 3: Professional learning planning

Interactive

- Synchronous and Asynchronous activities
- Reflective discussions

Connected
