

What is a community Activist?

How does what you are involved in, in your community, fit into the national outcomes for Community Learning and Development

- Improved life chances for people of all ages through learning, personal development and active citizenship
- Stronger more resilient, supportive, influential and inclusive communities

Think about a piece of work you have been involved in with your group or in your community that has contributed to making a difference to the quality of life in the area. Explain in about **200 words** what it was, what happened and how it ties into one or more of the outcomes above.
