**Using Census Data**

<u>Skill building task</u>

Using the Scottish Census Records On-Line - www.scrol.gov.uk

1) Go into scroll browser – use menu on the left side of the home page

2) Go to the toolbox – (lower down on the left side of the screen)

3) Select HOUSEHOLD from the topic list

4) Select a primary area – COUNCIL AREA

5) Select the Council area you live in

6) Select POSTCODE as a comparative area

7) Enter your home postcode

8) Click GO – to get the report

<u>Looking at the report</u>

a) How many postcodes have been grouped together to form an output area? _____

b) How many households are covered by the report? _____

c) Are there any topics where the percentages for your home area differ significantly from the average for the Council area?

<u>Example 1</u>
Reported topic _____

Percentage for Council area _____   Percentage for your area _____

What might this begin to suggest about the area?

_____

<u>Example 2</u>
Reported topic _____

Percentage for Council area _____   Percentage for your area _____

What might this begin to suggest about the area?

_____

South East & Central CLD
Workforce Development
Consortium
