

Local Communities

1) Use the space below to describe your own local community.

Think about:-

- the geographical area that it covers (how big is it?);
- the kind of buildings within it (Community Centre? Shops? A Park? Church? School? Council houses? Pub?);
- the landscape (urban? suburban? rural? in-land or by the sea?);
- and the people who live there (are they mixed in terms of age, ethnicity, income and religion?).
