

## Engagement Session Reflective Log:

1. A) Where and when did your session take place?

B) What kind of engagement did you carry out?

2. Who was involved?

3. If you identified an issue for further campaigning and community action what was it? Or what were the key points from the consultation?

4. How did you evaluate the event and if it was successful what helped to make it work?

5. What was your specific role in carrying out your project?

6. What might you do differently the next time you want to engage with your community about a community issue?
