1. Please give your opinion on the following aspects of the training day(s).

	Very Good	Good	Satisfactory	Poor	Very Poor
The venue	6	3	1		
The content of the day	6	3	1		
Participant packs	6	4			
The presentations	6	2	2		
Facilitation	8	1	1		

Please comment:

- The initial part of the course about the impact of messages on whether or not people feel included in our programmes or other support services
- Venue was a bit hot and airless
- Clear and concise
- Relevant material
- Interactive
- Would have liked more time to discuss and reflect on practice during session. Appreciate time restrictions due to condensing course.
